

# PASTORS

Enclosed in this packet you will find information concerning the Kentucky District Sunday School Division's plans and agenda for the year 2011. Please take a moment or two and look through this folder then mark your calendars so that you will be informed of upcoming events. We would encourage you to pass along any or all of this information to your saints so that they can be informed of the exciting things that will take place this year in the Sunday School Division.

Save Our Children Fund Drive has begun and will run through April 30<sup>th</sup>. We are asking you to promote SOC in your local assembly by giving your saints the opportunity to give and in return to be blessed. We have found that if you will present SOC to your church that people will step up and make a commitment to the children of our district! 50% of all money given to SOC remains in our district and is used to further the gospel to the children and families of this great district!

If you need additional information or have questions please do not hesitate to contact us!
