

May 25, 2009

Dear Pastors,

Greetings in the precious name of Jesus! I want to express my thanks to you as our pastors for the support given to our Ladies conference this year. The services were powerful and we have had many reports of the miraculous workings of the Holy Ghost.

I am sending this letter also as a gentle reminder that the time for Mothers Memorial ingathering has come. We have extended the date to June 6th to be considered for any awards given. Your offerings will be appreciated and accepted at any time.

Mothers Memorial continues to be a blessing to the thousands of recipients who are in great need of love, joy, compassion, and truth!

Our desire is to be like Him to the people we serve, "All this... and More!"

For His Kingdom,

Lana Adkins
