

From Norm Paslay II

Dear Friend,

It was another weekend of Food & Family. The table was overflowing and so was my waistline! Midst the abundance of blessing I did take pause to reflect on the season in the greater context of a life lived within God's guidelines and directives. As I consider my amazing parents, their investment in the Kingdom and me-I am humbled and grateful beyond words.

Looking at the "Brunette", my precious Jeannie; the love of my life for 32 years, I am thankful with all my heart. My four amazing girls, three precious sons via their marriage, two angels in the guise of my granddaughters Emma and Audrey; I am overwhelmed with the goodness of God. In that contrast I spent two hours with a precious young man whose life has been ravaged by sin, heartbreak, and loss. He is hopeless and desperate. All I could offer him was Hope, but that was what he needed.

My friends, our Mission is one of HOPE! Our Message is one of HOPE! Our offering to make both the Mission and Message possible-HOPE! I am again beseeching you to invest in 21st century outreach by giving to Media Missions this year. While we are at the outset of our development and finding our place on the landscape of giving in the UPCI, I ask for your support this year. I pledge to develop a 2-edged sword through our division its vision and mission. We are committed to impacting the world and empowering the church.

You are a great blessing to us and we honor you for giving to our Mission of Hope offering!

Sincerely,

Norm Paslay II
Media Missions Director
